Project Objectives

To trainers/institutes:

- Inclusive and interactive training material for interview preparation.
- Material to improve the interpersonal skills needed to successfully pass an interview.
- An interview simulation tool for their students, monitoring their progress with personalized feedback.

To students:

- A virtual interviewer - avatar - with whom they can practice, self-reflect and break the ice of a real job interview.
- Less anxiety, nervousness and other emotions that students and candidates usually face during job interviews.

HIRE MEETINGS AND EVENTS

KICK OFF MEETING

On 4 and 5 December 2023, the first face-to-face meeting of the HIRE project was held in Florida Universitària premises in Catarroja (Spain), bringing together all the participating entities. The meeting was used to define the different responsibilities, the first steps to be followed both in the Work Packages and at financial and dissemination level in order to achieve the HIRE objectives, the methodology to be used, establishing the guidelines for its development, as well as the activities planned in the short term.

JOINT STAFF TRAINING EVENT

From 21 to 24 May 2024 a face-to-face staff training was organised at Kainotomia's headquarters (Larissa, Greece) in which the partners trained each other on the developed material and thus established a common basis for the next training and piloting that will take place in the coming weeks of June and July 2024.

COMING SOON

- JUNE-SEPTEMBER 2024: Piloting events en each partner country except Cyprus. 25 VET learners/partner to test the materials.
